Re: Election Protest - Local #470

Dear Mr. Gordon:

This correspondence is in reference to the election protest filed by you, as a member of Local #470. The statement which I took from you, along with other information, was passed on to the Election Officer. The Election Officer thereby followed up with his own independent investigation. We treated your protest as a request for eligibility under the Rules.

As a result of the statement and information that you provided, further investigation and an independent investigation by the Election Officer's office, it has been determined, under the Rules, that you are ineligible to run at this time. As you are aware, your dues were paid late on a number of occasions during the two (2) year period which would precede nominations within your Local Union. While we regret to inform you of this determination, it is important that the rules be followed in order to insure that the elections are fairly conducted.

I hope this is satisfactory.

Sincerely yours,

  
PETER V. MARKS, SR.
