Re Election Office Case No P-057 LU769-SEC
P-066-LU769-SEC

Gentlemen

Pre-election protests were filed by Jake Barman under Article XI § 1 of the Rules for the IBT International Union Delegate and Officer Election, revised August 1 1990. In his protests, Mr Barman alleges that he has been prohibited from wearing campaign buttons at Union meetings and that the Local Union has failed to respond to his requests for membership lists and for other information necessary to conduct his campaign.

This matter was investigated by Regional Coordinator Donald H. Williams. During the investigation, the President of Local Union No 769 Tony Cannestro, confirmed that campaign buttons will be permitted at union meetings and that all delegate candidates will have immediate access to Collective Bargaining Agreements and worksite lists of members.

Mr Barman informed the Regional Coordinator on November 29 1990 that he wished to withdraw the above cases.

I find the request to withdraw consistent with the purposes of the Election Rules.

Accordingly the withdrawal request is approved.
