**Re: Election Office Case No. P-587-LU493-ENG**

Dear Mr. Villa

This will acknowledge receipt by the Election Officer of your pre-election protest filed under Article XI, Section 1 of the *Rules for the IBT International Union Delegate and Officer Election*, revised August 1, 1990 ("Rules") Your protest concerns the ballot for the delegates and alternate delegates election being conducted in Local 493

As you were previously notified (by letter of February 26, 1991, from the undersigned), the Election Officer will reformat and remail the ballots for the Local Union 493 delegate and alternate delegate election The new ballots will be mailed with appropriate new instructions advising all members of the Local of the change and the procedures to be followed with respect to the "Special Second Mailing" and the ballot contained therein

I believe that the letter of February 26, 1991, and the actions taken by the Election Officer, as outlined in that letter, fully responds to the contentions in your protest, and indeed provides the relief requested in your protest On this basis, I consider your protest to have been resolved

Very truly yours,

  
Michael H Holland
