Re: Election Office Case No. P-736-LU891-SEC

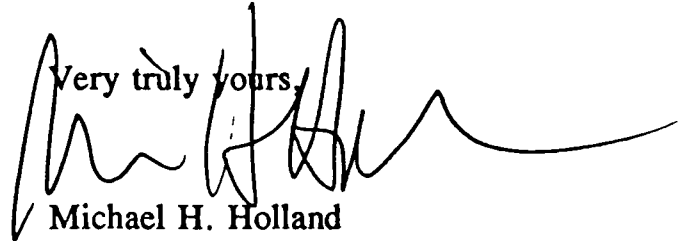

Gentlemen:

A protest was filed pursuant to Article XI, §1 of the *Rules for the IBT International Union Delegate and Officer Election*, revised August 1, 1990 ("*Rules*"). In his protest John Frith, an unsuccessful candidate for delegate to the 1991 International Convention alleges that James Jordy, Secretary-Treasurer of the Local Union, has failed to respond to his request for information about a grievance, and has refused to process other grievances because of Frith's campaign for delegate on a slate committed to IBT general President candidate Ron Carey.

The protest was investigated by Regional Coordinator Don Williams. Subsequent to the investigation Frith has requested to withdraw the protest. The Election Officer concludes that approval of the withdrawal request is consistent with the purposes of the *Rules*.

Mr. John E. Frith

Accordingly the request to withdraw is **APPROVED**.

Very truly yours,

Michael H. Holland
